FOR IMMEDIATE RELEASE

Premier Compaction Systems, LLC Recognized as a New Jersey Sustainable Business

Small businesses across New Jersey are starting to save money, share their successes and inspire other businesses by implementing sustainable business best practices. Joining this list of small businesses, **Premier Compaction Systems, LLC** located in Woodland Park, New Jersey, became one of the first businesses in the state of New Jersey to be recognized as a **New Jersey Sustainable Business**.

In August of 2014, the New Jersey Small Business Development Centers (NJSBDC) launched the **New Jersey Sustainable Business Registry**. The registry is an Internet site where businesses that have implemented sustainable business practices can register their achievements and be recognized.

Premier Compaction Systems, LLC achieved recognition for designing and installing automated energy efficient waste handling equipment. The equipment was designed to save labor costs, reduce manual handling of waste receptacles which in turn complies with OSHA standards.

To further their constant efforts at sustainability, **Premier Compaction Systems** has recently adopted recycling Hydraulic Oil. They use it at such a high quantity that they decided to incorporate it into a more sustainable practice in their day to day operations. So far, they have recycled 2,685 gallons!
